

How To Install The Toilet Brush Holder

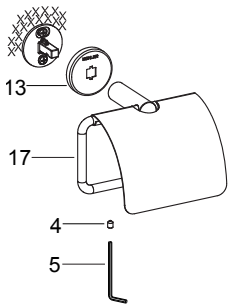

Slide the escutcheon(13) onto the bracket. Orient two gaps of the escutcheon are vertical and the “KOHLER” logo on escutcheon is upward. Slide the extension of toilet brush holder kit(14) onto the bracket. Orient the screw hole of the extension downward. Tighten the screw(4) with the hex wrench(5) to secure toilet brush holder kit.

Slide the glass holder(15) into the toilet brush holder kit, then slide the brush(16) into the glass holder. If necessary, take the brush out of the glass holder for use and then replaced afterwards.

How To Install The Covered Toilet Paper Holder

Slide the escutcheon(13) onto the bracket. Orient two gaps of the escutcheon are vertical and the “KOHLER” logo on escutcheon is upward. Slide the extension of covered toilet paper holder kit(17) onto the bracket. Orient the screw hole of the extension downward. Tighten the screw(4) with the hex wrench(5) to secure covered toilet paper holder kit.

INSTALLATION CHECKOUT

Ensure that all connections are tightened.

Ensure all setscrews face straight down.

CLEANING INSTRUCTIONS

All Finishes: Clean the finish with mild soap and warm water. Wipe entire surface completely dry with a clean soft cloth. Many cleaners may contain chemicals, such as ammonia, chlorine, toilet cleaner etc. Which could adversely affect the finish and are not recommended for cleaning.

Do not use abrasive cleaners or solvents on Kohler faucets and fittings.
