

Features

- Soap dispensing volume can be adjusted to 0.8 mL, 1.2 mL, 1.6 mL, or 2.0 mL.
- 54 oz. (1600 ml) high capacity soap reservoir.
- Optional 27 oz. (800 ml) low-capacity soap reservoir (sold separately).
- Sensor range adjustable from 1" to 4" (25 to 101 mm). Default set at approximately 2-3/4" (69 mm).
- Maintenance/cleaning mode is activated for 30 seconds when sensor is blocked for 10 seconds.
- Vandal-resistant sensor delays dispensing for twenty seconds if activated 4 times in under 5 seconds.
- Low soap and low battery above-the-counter indicators.
- Easy below-the-counter refill.
- Battery-operated (4 "D" batteries supplied).
- Requires low (1-20 cps or gr/m-s) viscosity foam soap with no suspended particles. Please see Installation Guide or Maintenance and Use Guide for specific soap recommendations.
- Kohler Soap (sold separately) recommended for optimized performance and longevity.
