

Features

- Combining an aerodynamic profile with sleek contours, the Beam faucet collection is an eye-catching blend of function and fashion.
- The versatile, modern design of Beam faucets complements a variety of decors. Coordinate with Beam showering components to create a cohesive look you'll fall in love with.
- Superior dimensions provide easy and intuitive operation. Sustainable flow options available.
- Life-50™: Tested for 50 years of use, Kohler's unique Cartridges have near diamond hardness ceramic discs which grind debris and have a polishing effect for smooth & precise operation.
- Life-Bright™: Resists corrosion and wear two times longer than industry standard. Kohler chrome products have 3 layers of coating for added protection.

Material

- Premium Metal Construction.
- KOHLER finishes resist corrosion and tarnishing.

Installation

- For single-hole installation.
- Pre-attached flexible supply lines simplify installation.
