- 4** Install the seat to the hinge bases.

Installation

- 5 Position the seat on the bowl and close the hinge locks.

Care and Cleaning

Clean the outside surface of your toilet seat with mild soap, such as liquid dish soap and warm water. Wipe the entire surface completely dry with a clean soft cloth. Do not use any abrasive cleaners, as they will scratch and dull the surface. Avoid any detergents, disinfectants, or cleaning products in aerosol cans. Avoid contact with abrasive chemicals and cosmetics, such as fingernail polish and aftershave, as they may damage the finish of your toilet seat.
