MADE Asha by Lisa Hunt

Renowned visual artist Lisa Hunt translates her graphic motifs into stoneware in the MADE Asha Collection. Exploring the spatial and meditative relationships between patterns, Hunt's designs reveal the infinite possibilities of shape and repetition. The curated palette of six glazes reflects hues frequently seen in Hunt's artwork.

RECOMMENDED USE

- Suitable for all indoor wall applications
- Not suitable for floor applications
- Suitable for outdoor vertical use dependent upon climate and method of installation
- Opaque and translucent colors are suitable for shower walls
- Metallic glazes are suitable for indoor wall applications; not suitable for wet areas
- Metallic glazes may develop a patina over time if exposed to acids
- Metallic glazes are susceptible to staining; please use caution when installing in areas that come into contact with grease

MADE Fade by Kelly Wearstler 3"x9" Field in Sunset

MADE Fade by Kelly Wearstler

A spectrum of artisanal glazes is showcased in Fade, a new stoneware collection by Kelly Wearstler. Handmade in our Portland, Oregon factory, Fade exemplifies Wearstler's enduring exploration into what is possible in ceramic art. Utilizing a skilled layering technique when applying the glazes and firing at high temperatures, the result is an enchanting ombre effect. Available in six distinct glaze gradients applied to 3"x9" or 9"x9" field allows for a combination of various graphic patterns when installed.

STONE

Mod Moda by Martyn Lawrence Bullard Abernathy Mosaic in Grey and White

Mod Moda

by Martyn Lawrence Bullard

Inspired by mid-century modern design elements, the new Mod Moda collection by Martyn Lawrence Bullard takes terrazzo to new proportions. Using time-honored techniques, the geometric patterned tiles are comprised of various sized flakes, grains and chips of precious marbles skillfully blended with cement. Ideal for grand flooring installations, the collection is available in field and mosaic formats and is versatile in creating unique statement spaces.
