ANN SACKS®

OUTDOOR LIVING

As the days grow longer, our thoughts turn to maximizing time outdoors. Enjoying a refreshing soak in the pool or gathering on the patio for meals that stretch into the evening, summer days are made to create memories that last a lifetime.

Ann Sacks offers a curated selection of materials suitable for exterior installations, from pool and spa tile, pavers and outdoor stones, allowing you to embrace alfresco living in style.

Savoy Prints Insho 6"x6" Triangle in Black,
Design by Ashley Gilbreath Interior Design

CERAMIC

Ann Sacks ceramic tile collections present myriad creative options for the outdoor space—from hand carved designs to multi-dimensional patterns and modern fields— with a palette that spans the color spectrum.

Savoy Classic 2"x8" Ribbed in Ricepaper,
Design by Michelle Theobald, Construction by
Dos Lobos Homes, Photography by Chad Mellon

Context Pillowed Mosaic in Spa, Design by Andrew Ferrara

Context

A building block that's anything but basic, our Context ceramic line is offered in a variety of field and mosaic formats and rich palette of artisanal glazes. The versatile collection is suitable for both modern or classic interiors.

RECOMMENDED USE

- Suitable for all indoor wall applications
- Suitable for installation on shower walls and floors; except the Pillowed Mosaic, which is not suitable for flooring. Metallic Black not recommended for wet areas
- Suitable for medium to light-duty flooring applications, except the Pillowed Mosaic, which is not suitable for flooring
- Outdoor use subject to climate and method of installation
- Material not affected by freeze/thaw conditions
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Suitable for use in submerged areas such as pools or fountains with custom paper face mounting, except the Pillowed Mosaic, which cannot be paper faced mounted. Metallic Black not suitable for submerged areas
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area
- Elongated pieces may exhibit slight warpage, which is most evident in offset installations

INSTALLATION AND MAINTENANCE

- Install per TCNA Handbook for ceramic tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal matte finish with a penetrating sealer before and after grouting
- For daily cleaning, use a soft sponge with diluted liquid dish soap, and rinse with clean water. Metallic Black finish may show fingerprinting or oil-related markings over time. The periodic use of Miracle Sealants Porcelain and Ceramic Tile Cleaner can be used to remove these markings, following manufacturer's directions carefully

Maven by Kelly Wearstler Dune 8"x8" Field in White and Black Line, Design by OD Interiors

Maven by Kelly Wearstler

Drawing upon Wearstler's affinity for repetition and relaxed, painted geometric patterns, Maven by Kelly Wearstler for ANN SACKS features the designer's signature graphic striations and black and white motifs in embossed, textural designs that are at once spirited and sophisticated.

Ojai 8"x8" Field in Matte White with Black Line

RECOMMENDED USE

- Suitable for all indoor wall and light duty, residential flooring applications. Matte colors are better for flooring than gloss colors as gloss colors may scratch
- Outdoor use subject to climate and method of installation
- Suitable for fountains and pools, however it is recommended that gloss glazes be used for these applications, as the matte glazes tend to be harder to clean
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

residential floor

wall

shower wall

outdoor

INSTALLATION AND MAINTENANCE

- Install per industry standards for ceramic tile
- Always inspect material prior to installation, installed material cannot be accepted for return or credit
- Tiles must be sealed prior to grouting to prevent grout haze from appearing in dry line portions of tile

Savoy Classic 6"x6" Pleated in Ricepaper, Design by Ashley Gilbreath

Savoy Classic

Our Savoy Classic collection is crafted by Japanese artisans, using unique glazes that break over the tile edge, adding a strong design element to any setting. The inventoried collection has an extensive range of field, mosaic and trim formats, offering limitless possibilities at a great value.

RECOMMENDED USE

- Suitable for all indoor wall and medium-duty flooring applications — Bronze glaze suitable for indoor walls and light-duty flooring only
- Circle and Pleated not suitable for flooring applications
- Suitable for installation on shower walls (except Bronze)
- Suitable for submerged areas, such as pools or fountains (except Bronze)
- Outdoor use subject to climate and method of installation
- Material not affected by freeze/thaw conditions
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds or pizza ovens, so long as temperatures do not exceed 500 degrees F
- Bronze NOT recommended for wet areas, since acidic or abrasive cleaners and certain pool chemicals may affect the finish
- Please see Ann Sacks slip-resistance and wet flooring statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for ceramic tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal with a penetrating sealer before and after grouting
- Avoid acidic cleaners or abrasive scouring pads, especially for Bronze glaze
- If used in submerged areas, product must be ordered with paper face mounting *(Minimum orders and additional fees may apply to custom ordered Paper Faced Mosaics)*

Savoy tiles are made from 21% pre-consumer recycled content, including ceramic waste material from discarded clay and smashed tableware. The rest of the tile body is composed of 22% clay and 57% feldspar.

CONCRETE

Strong, durable and design driven, Ann Sacks concrete collections are an excellent choice for outdoor commercial and residential applications. Concrete is the perfect medium to create bold, large scale statements.

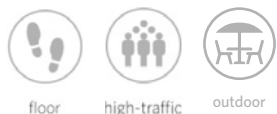

Andy Fleishman

This completely unique concrete flooring program incorporates a creative patterning technique. The design is scored into the tile surface, which is then filled with grout to accentuate the pattern. A variety of graphic and organic designs are available on either a square or hexagon field. Highly artistic and distinctive, Andy Fleishman concrete flooring will make its mark in any installation.

RECOMMENDED USE

- Suitable for all indoor flooring applications
- Not recommended for outdoor use in freeze thaw climates

Deco Variation 3 in Chocolate

INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of glass tile, ceramic tile and stone tile (www.tcnatile.com)
- A grout joint of 1/16" or greater is recommended
- Important: grout is an integral part of the overall design for Andy Fleishman tiles. Grout colors can dramatically change the look of the installation. Choose a skilled installer and follow manufacturer directions carefully.
- Please note special instructions for grouting which may be specific to each design
- Install in either mortar bed or with polymer modified thin set
- Clean with a neutral detergent
- See Concrete Care & Cleaning Guide.

LEED Credit Contributions

- Regional Materials
Extracted in: 80% of materials are extracted within 500 miles of Durham North Carolina
Manufactured in: Durham, North Carolina

Other Environmental Attributes

- Recommended for durability planning in areas with interior moisture loads.

Andy Fleishman are made from a simple mixture of sand, gravel and cement. This all-natural mixture, 80% of which is extracted within 500 miles of their manufacturing site in Durham, NC, has no chemical additives.

Andy Fleishman Geode

Inspired by a natural geode's duality of sparkling crystal within a seemingly ordinary rock, this collection marries smooth surfaces with rough ones, and strict linearity with Geode's designs are both visually intriguing and enticingly tactile. The repeating patterns, appealing colors and the interplay of the polished raised surfaces with the granular troughs create installations that are unusually beautiful and utterly unique.

Paccha by Popham Design

Paccha by Popham Design celebrates the traditional and local craftsmanship of Morocco by employing age-old techniques for creating encaustic tiles and blending them with a fresh, modern aesthetic. Handmade by skilled artisans in Marrakech, Paccha by Popham Design designs take their aesthetic cue from life in Morocco. Inspiration comes from the region's stunning geometric architectural motifs and from indoor-outdoor living which is a way of life in the Medina.

ZigZag in Kohl/Milk

RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Outdoor use subject to climate and method of installation
- Caution recommended for use in wet areas as exposure to moisture can cause efflorescence
- Not suitable for submerged areas such as pools or fountains
- Caution recommended for kitchen or bathroom areas as finish may etch where acidic substances or cleaners are frequently used and may be susceptible to oil staining

INSTALLATION AND MAINTENANCE

- Install per manufacturer's installation instructions
- Tinted grout not recommended as it may stain tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to balance color and tonal variation
- It is recommended to seal with a penetrating sealer before and after grouting. Traditional wax applications may also be considered
- Periodic cleaning and resealing is recommended using products formulated for concrete
- Exterior applications may experience some fading over time with UV exposure

Paccha by Popham Deisgn Backgammon in Custom Color

GLASS

Ann Sacks offers a wide range of unique glass tile collections in a vast design repertoire. Glass tiles are a sophisticated option, reflecting an illusory depth and dimension that by nature has the ability to withstand high heat while maintaining its original beauty for years to come.

Kodra Concentric Hex in Custom Color

Kodra

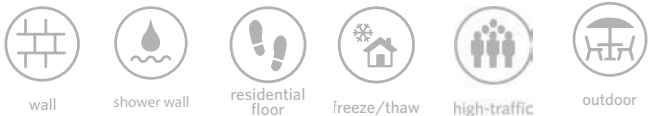

Nostalgic and elegant with crisp lines and soft colorways, Kodra is a classic tile design reborn for today's aesthetic. Comprised of recycled matte micro glass hexagons, square and penny tiles and available in 6 designs, Kodra is suitable for all interior and exterior installations including pools.

Pane in Cloud with Flint

RECOMMENDED USE

- Suitable for indoor and outdoor wall and flooring applications, including commercial
- Suitable for installation on shower walls
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation
- Material not affected by freeze/thaw conditions
- Suitable for submerged areas such as pools and fountains
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per TCNA handbook for glass
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color

Dell'Acqua Cube Mosaic in Oasis

Dell'acqua

Dell'acqua, manufactured exclusively for Ann Sacks by Oceanside Glasstile, offers handmade glass mosaics with a smooth, softly rounded edge detail that is suitable for submerged areas such as pools and fountains as well as interior applications. Comprised partially of pre and post consumer recycled glass, Dell'acqua is a smart as well as a beautiful choice for your design needs.

Double Herringbone in Oasis

RECOMMENDED USE

- Suitable for all indoor wall and medium duty flooring applications
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
- Outdoor use subject to method of installation
- Suitable for use in wet areas such as showers, pools or fountains. 6" width available for water line.

wall

shower wall

residential floor

submerged

outdoor

INSTALLATION AND MAINTENANCE

- Install per manufacturers' installation instructions
- Clean, pressed edge pieces available, no cutting needed
- Always inspect material prior to installation, installed material can not be accepted for return or credit
- To avoid cracking, always use a crack suppression membrane and make cuts using proper glass cutting equipment
- Due to transparent quality, use white thinset adhesive
- Use sanded grout
- Clean with warm soapy water or PH neutral glass cleaner and soft cloth

PORCELAIN

Ann Sacks porcelain collections offer a spectrum of designs paired with durability and pure colors that never fade making it perfect for outdoor installations. You'll find them suitable for either contemporary or traditional tastes.

Alo 16" x 32" Lithos field in Ivory

Alo

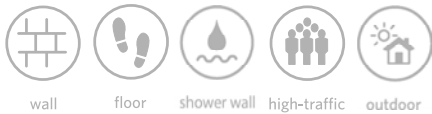

Alo brings attractive neutral shades that shape surfaces in fluid spaces. The interplay of light in Alo defines a decorative concept inspired by the graininess of earth. The Alo collection also features a decorative mosaic made from recycled glass of discarded TV and PC screens. Every tiny chip is unique and has its own shades of the same tone, creating a dynamic surface that is soft to the touch.

16"x32" Lithos in White

RECOMMENDED USE

- Suitable for indoor and outdoor wall and flooring applications, including commercial
- Suitable for installation on shower walls
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation
- Material is not affected by freeze/thaw
- Suitable for submerged areas such as pools or fountains
- Formats and finishes have varying degrees of DCOF test results, though all pass the minimum requirement
- Testing data available upon request
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for ceramic tile
- Vendor has provided specific installation instructions for the Recycled Glass Mosaics
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color

Ashmont 3"x6" Field in Antracite

Ashmont

Ashmont draws its inspiration from the stucco that adorns the buildings of "The Floating City" of Venice. This collection of weathered porcelain tile with its varied color palette, worn edges and uneven surfaces will invoke a sense of romanticism through the splendor of imperfection.

3"x6" field in Ardesia

RECOMMENDED USE

- Suitable for indoor and outdoor wall and flooring applications, including medium-use commercial
- Suitable for installation on shower floors and walls
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds

Basillio

Basillio is a porcelain collection from Italy that takes its cues from limestone, replicating the demarcations, inclusions and small fossilized remnants that create its unique organic character. In a soft palette, Basillio has a natural, slightly textured surface and the strength and durability that continue to make porcelain a savvy choice for commercial and residential installations.

An exceptionally durable new porcelain collection in a palette of neutral tones, Montavilla is suitable for heavy-traffic installations in residential or commercial projects. Also available in an assortment of 24" pavers; ideal for outdoor patio installations.

24"x24" Pavers in Grey

RECOMMENDED USE

- Suitable for all indoor wall and flooring applications, including commercial
- Suitable for installation on shower walls
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
- Outdoor use subject to climate and method of installation, material not affected by freeze/thaw
- This collection contains 24"x24" (2cm) pavers intended for outdoor use
- Suitable for submerged areas such as pools or fountains
- Testing data available upon request

INSTALLATION AND MAINTENANCE

- Install per industry standards for porcelain tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color

Montavilla contains 40% pre-consumer recycled content

STONE

An ideal material to add organic beauty to exterior hardscape and wall installations. Our stone collections offer designs to create timeless and impactful spaces.

Outdoor Stone 16"x24" Paver in Pistache Flamed

Outdoor Stones 16" x 24" Paver in Corton Beige

Outdoor Stones

Ann Sacks is bringing an offering of stones suitable for outdoor installations: Corton Beige, Lave Grise and Pistache. These stones are the ideal material to be used in hard landscaping, pool and patio areas, driveways and walkways.

Corton Beige

RECOMMENDED USE

- Suitable for outdoor flooring applications
- Outdoor use subject to climate and method of installation; material not affected by freeze/thaw
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone

COLLECTION

Field	Paver: 16"x24" (16.000" x 24.000" x 1.181") Coping: 16"x24" (16.000" x 24.000" x 1.969")

Terrazzo Form

Terrazzo Form is a reinterpretation of the classic terrazzo tile. The contrast of the chips and flakes of stone with the textured surface brings a modern sense of prestige to any space. The Velvet finish has a natural undulation echoing the stone forms within the design giving an organic sensation underfoot. The contrast between the delineated pleats of the Waterfall design or the microplanes of the Arela gives a subtle dimension and tactile quality to the design.

16"x16" Waterfall field in Grey

RECOMMENDED USE

- Suitable for all indoor wall applications
- Suitable for installation on shower walls
- Arela and Waterfall not suitable for flooring, Velvet texture suitable for medium-duty flooring application
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation
- Material is not affected by freeze/thaw
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

wall floor shower wall outdoor

INSTALLATION AND MAINTENANCE

- Install per manufacturer's installation instructions
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended when using products formulated for natural stone. Please reference the manufacturer's maintenance recommendations for approved cleaning products
- The use of acidic or highly alkaline detergents can damage the surface of the marble — please reference the manufacturer's maintenance recommendations for chemicals to avoid

TERRA COTTA

Influenced by Moroccan, Spanish and French design elements, our terra cotta collections are a testament to authentic craft. To create each design, expert artisans employ time-honored techniques that have been passed down generations.

Idris by Ait Manos Itzer Mosaic in Metal Grey and Black Köhler

Idris by Ait Manos

Made in Morocco by sixth- and seventh-generation mosaic artisans, the Idris collection is crafted to authentic detail. The art of mosaic in Morocco, called "Zellige," dates back many centuries. Handmade, hand-glazed and hand-cut terra cotta tile and mosaics are made with traditional and regional clays and glaze pigments.

Custom Trim

RECOMMENDED USE

- Suitable for indoor wall and light-duty flooring applications
- Outdoor use subject to climate and method of installation
- Suitable for use in wet areas such as showers, pools and fountains in high-temperature climates only. Be advised, pool chemicals may etch glazes over time
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for ceramic tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation, pulling from multiple boxes to balance color
- Seal with a penetrating sealer before and after grouting, especially unglazed terra cotta
