# Ashmont

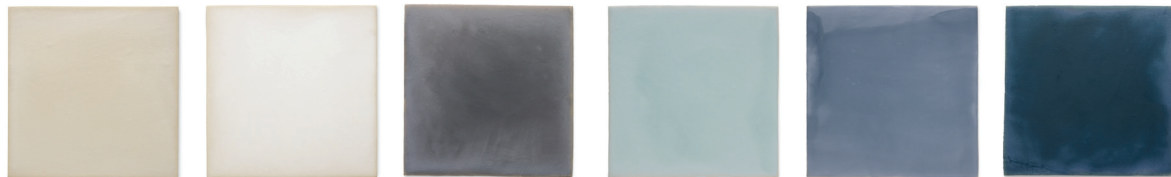

Ashmont draws its inspiration from the stucco that adorns the buildings of “The Floating City” of Venice. This collection of weathered porcelain tile with its varied color palette, worn edges and uneven surfaces will invoke a sense of romanticism through the splendor of imperfection.

# Pambiche

Pambiche is a collection of standard and decorative hexagons that feature a matte finish, a dusting of gloss and a hint of weathering on the surface edge. These features give the tile a depth, beauty and special patina that will create a sense of warmth and peace in any space.

**STANDARD: 6" Hex**

**DECO: 6" Hex**

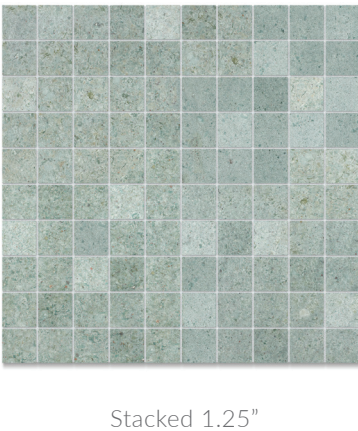

# Rae

The serene blue-green tone of Rae intensifies when wet, making it an enchanting option for wet areas like showers, as well as pools and fountains. Soft, speckled demarcations dance across the honed finish adding to the visual interest of this chameleon-like stone.
