Standing proud within the room is the Ander console, a tailored silhouette that boasts a repeating pleated horizontal design that carries across the entire apron front. The substantial form is expertly cut to bring forward the veining's dramatic character and develop the exacting pleat, while CNC technology takes it a step further to impart additional crispness to the repeat. The stainless-steel base in two brushed finish options cradles the bold basin beautifully.

FEATURES

- Stone tops are fabricated from a single block of marble originating in from Italy and Portugal
- Luxurious carved vertical pleats
- Fully integrated stone sink
- High-quality stainless steel base is hand finished and hand-welded
- Freestanding design allows for ease of cleaning under the vanity
- Adjustable leveling feet

INSTALLATION AND MAINTENANCE

- Please refer to Ann Sacks technical documents for installation requirements
- Stone consoles are honed, we recommend sealing prior to use with a penetrating sealer
- Periodic cleaning and resealing of the stone console is recommended using products formulated for natural stone
- The Ander stone top has knockouts to accommodate a deck mount or wall mount faucet
- Clean the surface with a non-abrasive, mild and PH neutral cleaner. Do not use bleach or acidic cleaners, ammonia, abrasive or soft paste cleaners, vinegar, alcohol, window cleaner or lemon juice
- When installing drains and fittings, use 100% silicone or marble safe plumbers' putty; use of incorrect putty may result in stained marble
