These leather-look wall tiles by American artisan Andy Fleishman are made of concrete for a striking and surprising twist on texture. Each tile is one of a kind, handcrafted in the USA into pillowed shapes with subtle color variations that mimic the supple look of natural leather. Exclusive to Ann Sacks, the collection is available in four distinctive colorways on a versatile square field.

RECOMMENDED USE

- Suitable for indoor wall applications
- Not recommended for outdoor use in freeze/thaw climates

INSTALLATION AND MAINTENANCE

- Install per manufacturer's installation instructions
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- Always lay out material prior to installation to balance color and tonal variation
- It is recommended to seal with a penetrating sealer before and after grouting. Recommended sealants listed in installation instructions
- Periodic cleaning and resealing is recommended using products formulated for concrete
