

Bardiglio Imperial

A rare stone from Italy, Bardiglio Imperial's bluish grey shading is loosely punctuated by deep grey to stark white veining that randomly streaks across the surface. The shades-of-grey drift across the tile face in a smoky cadence creating a dimensional, neutral backdrop, its soft coloration complementing virtually any color palette.

12"x24" Honed

RECOMMENDED USE

- Suitable for all indoor wall and medium-duty flooring applications. High traffic areas may require additional care and cleaning
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per TCNA Handbook for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
