

Benton Mosaics

Classic and modern designs produced by water jet technology characterize our Benton Mosaics collection. The highly versatile palette and transitional designs make this a fabulous addition to our mosaic offerings.

Tryst in Bardiglio/Carrara/Thassos/Whitewood

RECOMMENDED USE

- Suitable for all indoor wall and floor applications — mosaics containing shell are suitable for all indoor wall applications, but limited to light-use residential flooring, as the shell may scratch
- Suitable for installation on shower walls
- Outdoor use subject to climate and method of installation — mosaics containing shell are not suitable for outdoor applications, wet areas, shower walls, submerged areas or directly over radiant heating systems
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for stone mosaics
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- Sheeted repeat sections will fit together in an interlocking pattern
- Mosaics are mesh-mounted
- Can be installed using standard thinset application — white thinset is recommended for light or translucent stones
