INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation; installed material cannot be accepted for return or credit.
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone

*Please note: variations in color, shade, surface texture and size are natural characteristics of all our products and should be expected. Images shown are representative, but may not indicate all variations in these characteristics.
