

Caplet

Shown in Vecchia

Caplet is a commanding silhouette carved from a single block of stone by gifted artisans, expertly cut to capture the veining’s flow and pattern and bring forward the stone’s rich and varied mineral deposits. First employing techniques passed down for generations, the artists then rely on 21st century CNC technology to further enhance the colorations and impart a smooth surface before hand-honing Caplet to a soft luster.

- Stone pedestal is fabricated from a single block of marble from Italy and Portugal
- Fully integrated stone sink
- The Caplet pedestal is pre-drilled for a single control faucet

INSTALLATION AND MAINTENANCE

- Please refer to Ann Sacks technical documents for installation requirements
- Stone Pedestals are honed, we recommend sealing prior to use with a penetrating sealer
- Periodic cleaning and resealing of the stone console is recommended using products formulated for natural stone
- Clean the surface with a non-abrasive, mild and PH neutral cleaner. Do not use bleach or acidic cleaners, ammonia, abrasive or soft paste cleaners, vinegar, alcohol, window cleaner or lemon juice
- When installing drains and fittings, use 100% silicone or marble safe plumbers’ putty; use of incorrect putty may result in stained marble
