

# Checkerboard

The Checkerboard collection is an ode to this classic look, utilizing a wide selection of the finest marbles. The palette ranges from the softest whites through to the richest blacks, which allows for the custom pairing of the stones to create a distinct look.

Silea and Nero Marquina

## RECOMMENDED USE

- Suitable for all indoor wall and medium-duty flooring applications
- Suitable for installation on shower walls
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

## INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- To blend  $\frac{3}{8}$ " and  $\frac{1}{2}$ " tile in a checkerboard pattern, the use of a larger trowel and medium bed mortar is recommended to float the tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
