Idris by Ait Manos

Made in Morocco by sixth- and seventh-generation mosaic artisans, the Idris collection is crafted to authentic detail. The art of mosaic in Morocco, called “Zellige," dates back many centuries. Handmade, hand-glazed and hand-cut terra cotta tile and mosaics are made with traditional and regional clays and glaze pigments.

RECOMMENDED USE

- Suitable for indoor wall and light-duty flooring applications
- Outdoor use subject to climate and method of installation
- Suitable for use in wet areas such as showers, pools and fountains in high-temperature climates only. Be advised, pool chemicals may etch glazes over time
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for ceramic tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation, pulling from multiple boxes to balance color
- Seal with a penetrating sealer before and after grouting, especially unglazed terra cotta
