

Modern

Our MADE Modern collection incorporates crisp geometry and simple, fluid details. Developed in our signature stoneware body and paired with glazes that break beautifully at the edges, the tile creates a subtle play of shadow and light. MADE Modern Ribbed features distinct contemporary styling and virtually limitless application, Modern Ribbed brings a complementing alternative to Ann Sacks' Modern Collection. The inspired crisp geometry and simple, fluid details continue in this new collection, yet take it up a notch with the embellishment of ribbing to sections of the tile face.
