

Provençal

Inspired by the timeless, sun-splashed shades of the Mediterranean, our new ceramic collection, Provençal, joins the MADE by ANN SACKS series of tiles handcrafted by the artisans at its Portland, Ore. facility. In true Provençal style, these designs reflect the region's classic simplicity of form and bold color palette.

INSTALLATION AND MAINTENANCE

- Install per the TCNA Handbook for of ceramic tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- We recommend sealing with a penetrating sealer before & after grouting, especially when used in wet areas
- Use only non-abrasive cleaners to avoid etching or scratching; use only non-acidic cleaners and test on small corner of tile to avoid damaging glaze
