RECOMMENDED USE

- Suitable for all indoor wall applications
- Not suitable for floor applications
- Suitable for high temperature areas such as behind ranges and fireplace surrounds
- Suitable for outdoor vertical use dependent upon climate and method of installation
- Opaque and translucent colors are suitable for showers walls, pools or fountains. Crackle glazes should not be used in wet applications or behind ranges as moisture may penetrate the glaze and cause spotting or discoloration issue. Metallic glazes are suitable for indoor wall applications, not suitable for wet areas.
