

Maven by Kelly Wearstler

Drawing upon Wearstler's affinity for repetition and relaxed, painted geometric patterns, Maven by Kelly Wearstler for ANN SACKS features the designer's signature graphic striations and black and white motifs in embossed, textural designs that are at once spirited and sophisticated.

RECOMMENDED USE

- Suitable for all indoor wall and light duty, residential flooring applications. Matte colors are better for flooring than gloss colors as gloss colors may scratch
- Outdoor use subject to climate and method of installation
- Suitable for fountains and pools, however it is recommended that gloss glazes be used for these applications, as the matte glazes tend to be harder to clean
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
