

Miravel

Hailing from Greece, Miravel is a dreamy, honed marble of depth and dimension. Its unique veining is cloudlike in appearance with formations and mineral deposits that dance and pool across the surface in an artful display. The warm, subtle colors of brown, cream and a touch of pink offer a sophisticated, neutral backdrop to any space.

Herringbone Mosaic and 30" x 72" Demi Slab

RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration.
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
