

Andy Fleishman

Andy Fleishman's latest imaginative creation in the world of flooring is Neo Terrazzo. This innovative tile employs aggregate to create designs within a concrete base tile. The aggregate is comprised of local North Carolina sands and stones and includes a recycled glass option as well as a stunning mother of pearl option. The available patterns are complex and active.

RECOMMENDED USE

- Suitable for all indoor flooring applications
- Not recommended for outdoor use in freeze thaw climates
- Recommended for durability planning in areas with interior moisture loads

high-traffic

residential floor

INSTALLATION AND MAINTENANCE

- Install per manufacturers installation instructions
- Always inspect material prior to installation-installed material cannot be accepted for return or credit.
- Always lay out material prior to installation to properly blend and balance color.
