

# Scribe

Scribe is a collection of water jet mosaics that have been etched, or “scribed”, to create a unique and whimsical surface texture.

## RECOMMENDED USE

- Suitable for all indoor wall and flooring applications.
- Outdoor use subject to stone used, climate and method of installation.
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

## INSTALLATION AND MAINTENANCE

- Install per industry standards for stone mosaics.
- Always inspect material prior to installation; installed material cannot be accepted for return or credit.
- Sheeted repeat sections will fit together in an interlocking pattern.
- Patterns face mounted on clear mylar sheets. This ensures that nothing comes between the stone and adhesive to compromise the integrity of a secure bond.
- Can be installed using standard thinset application. Use white thinset for light or translucent stones.
- Test grout color for client approval. Non-sanded grout is recommended.
