## RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

## INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
