

Tiempo

Tiempo takes its aesthetic cue from traditional patterns found in France and Spain. Designs are hand painted onto rustic terra cotta tiles that have been distressed. Imperfections are evident, which lends the tiles the rich look of centuries-old terra cotta.

RECOMMENDED USE

- Suitable for all indoor wall and light-duty flooring applications
- Suitable for shower walls 6 inches above shower pan—it's recommended to seal surface with waterproof barrier
- Not suitable for outdoor use, steam showers, shower floors or submerged water applications including swimming pools or fountains
- Not recommended for use on kitchen countertops or working surfaces
- Not recommended where tiles are exposed to open flame and direct heat such as inside a fire box or wood-burning oven as this may tarnish the glaze. A backsplash behind a standard kitchen cooktop is acceptable
