RECOMMENDED USE

- Suitable for indoor wall and medium-duty flooring applications — except for 3D fields
- Suitable for installation on shower walls
- Arela and Waterfall textures not suitable for flooring
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration
- It is recommended to install with a white thinset
- It is recommended to seal natural stone with a penetrating sealer
