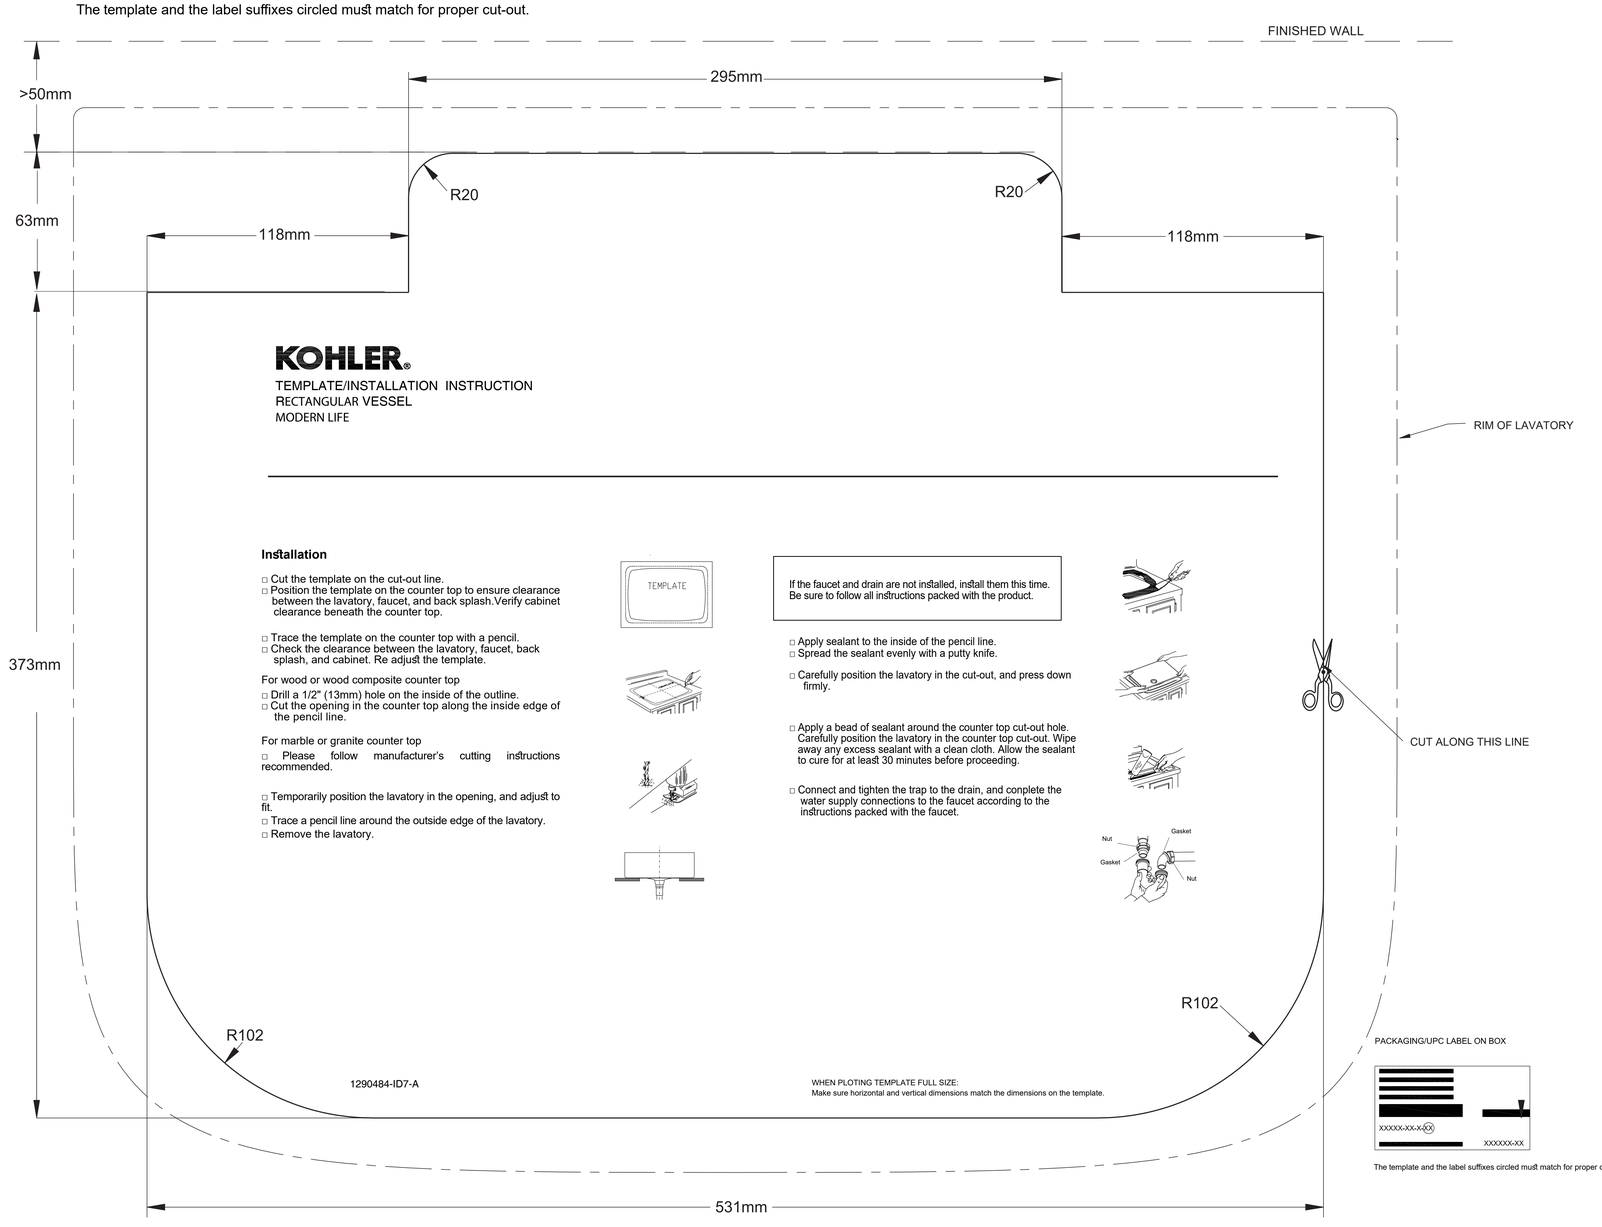
The template and the label suffixes circled must match for proper cut-out.



KOHLER®

TEMPLATE/INSTALLATION INSTRUCTION
RECTANGULAR VESSEL
MODERN LIFE

Installation

- □ Cut the template on the cut-out line.
- □ Position the template on the counter top to ensure clearance between the lavatory, faucet, and back splash.Verify cabinet clearance beneath the counter top.

- □ Trace the template on the counter top with a pencil.
- □ Check the clearance between the lavatory, faucet, back splash, and cabinet. Re adjust the template.

For wood or wood composite counter top

- □ Drill a 1/2" (13mm) hole on the inside of the outline.
- □ Cut the opening in the counter top along the inside edge of the pencil line.

For marble or granite counter top

- □ Please follow manufacturer's cutting instructions recommended.

- □ Temporarily position the lavatory in the opening, and adjust to fit.
- □ Trace a pencil line around the outside edge of the lavatory.
- □ Remove the lavatory.

If the faucet and drain are not installed, install them this time. Be sure to follow all instructions packed with the product.

- □ Apply sealant to the inside of the pencil line.
- □ Spread the sealant evenly with a putty knife.

- □ Carefully position the lavatory in the cut-out, and press down firmly.

- □ Apply a bead of sealant around the counter top cut-out hole. Carefully position the lavatory in the counter top cut-out. Wipe away any excess sealant with a clean cloth. Allow the sealant to cure for at least 30 minutes before proceeding.

- □ Connect and tighten the trap to the drain, and complete the water supply connections to the faucet according to the instructions packed with the faucet.

1290484-ID7-A

WHEN PLOTING TEMPLATE FULL SIZE:
Make sure horizontal and vertical dimensions match the dimensions on the template.

PACKAGING/UPC LABEL ON BOX

The template and the label suffixes circled must match for proper cut-out.

Important consumer information (Care and Cleaning)

To keep your lavatory looking new, make sure you rinse it out thoroughly after each use.
Do not use abrasives on this product, as they will scratch and ruin the surface. Stubborn stains, paint, or tar can be removed with turpentine or paint thinner.

Limited Warranty (Asian Emerging Markets)

Plumbing Fixtures, Furniture and Fittings Limited Warranty Kohler plumbing fixtures, furniture and fittings are warranted to be free of manufacturing defects.

This product (excluding bubble massage bath) is warranted for one year from date of purchase. Bubble massage bath (excluding drain, bath pillow, grip rail, towel rack, apron, bracket, faucet and fittings) is warranted for five years from date of purchase. Kohler will be responsible for any problems caused by manufacturing defects provided with the invoice. Kohler will, at its selection, repair, replace or make appropriate adjustment where Kohler inspection discloses any such defects occurring in normal usage within the duration of this warranty after purchase.

Implied warranties including that of merchantability and fitness for a particular purpose are expressly limited in duration to the duration of this warranty, Kohler disclaims any liability for special, incidental or consequential damages. Damages to the product caused by misuse, abuse and installation that is not in accordance with the installation instructions are not covered by this warranty.

Some nations/regions do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so this limitation and exclusion may not apply to you. This warranty gives you specific legal rights. You may also have rights which vary from nation to nation or region to region. Observe your local law/regulations and warranty in this case.

Notes:

1. There may be variation in color fidelity between catalog images and actual product.
