

Forté® | K-10827-4

Essentials performance showering package

Features

- Performance showering packages offer increased functionality and simplify the ordering process
- Single lever handle provides on/off activation and temperature setting with a single operation
- Multifunction showerhead offers wide coverage, therapeutic massage, and soft aerated spray settings
- Multifunction handshower offers wide soft coverage, soft pulse, and soft aerated spray settings
- Includes handshower, showerhead, shower arm with diverter, shower hose, slidebar, and Rite-Temp® valve trim
- Trim only; requires K-304 Rite-Temp pressure-balancing valve (sold separately)
- Coordinates with Forté® faucets, accessories, and showering components to complete your bathroom
- Features a nonpositive shutoff: water-saving pause mode to temporarily reduce water flow
