Notes

Measure your actual product for rough-in details.

Install this product according to the installation instructions.

The hot water supply should be 70% of the capacity of the bath or greater. Installations will vary.

This bath is designed for freestanding installation only.

If installing a rim-mount faucet, make sure there is no interference above or below the deck before drilling any holes.

Kohler Co. reserves the right to make revisions without notice to product specifications. For the most current Specification Sheet, go to www.kohler.com USA or www.kohler.ca Canada 7-9-2024 22:39 - US
