

Features

- Multifunction handshower with advanced spray engine provides two spray experiences: full coverage and Microbubble
- Easily transition between sprays with control buttons on sprayface
- Handle extends with the push of a button for washing hard-to-reach areas
- 2.5 gpm (9.5 lpm) maximum flow rate
- Grooming device features four interchangeable attachments: facial brush, body brush, body scrubber, and body massager
- Facial brush with gentle silicone bristles elevates your daily skincare routine
- Body brush with gentle silicone bristles produces a purifying lather for a deep clean
- Body scrubber with natural stone surface delicately exfoliates to remove dead skin from feet
- Body massager with five marble-like pressure points offers targeted relief for tired muscles
- Attachments spin with a push of the rear power button for even more grooming force
- AC-powered operation—no batteries to replace
- 1.5-hour run time when fully charged
- Magnetic connection allows grooming device to be easily detached from showerhead for use on its own
- Requires shower hose (sold separately)

Material

- Plastic construction
- KOHLER finishes resist corrosion and tarnishing

Technology

- Katalyst™ air-induction technology infuses water with air, creating bigger drops for a more powerful spray

Installation

- Includes portable charger
- Can also recharge wirelessly via K-R26901T smart tray (sold separately)
- G 1/2 inlet connection

Included Components

- K-28681T Two-function handshower, 9.5 lpm
- K-28683T All-in-one grooming device
