

PerfectFill™ | K-31797

Slotted overflow bath drain kit

Features

- KOHLER Konnect® app lets you control PerfectFill drain system from anywhere and create up to ten temperature and fill-level presets
- AutoFill feature closes drain and fills bath to desired level and temperature; no monitoring necessary
- AutoDrain automatically opens drain after preset bath duration elapses; drain can also be operated via the app, voice assistant, or on/off button
- Warm Up/Cool Down function removes and adds water, maintaining your desired temperature throughout the bath; can be set to run automatically or when prompted
- Manual Bath Fill lets you run a normal bath without timer or digital drain features
- Wall-mount remote on/off button allows you to manually start/stop water or open/close drain
- No internal linkages, reducing the chance of clogs in the overflow pipe
- Ball-joint construction for easy installation
- Kit includes slotted overflow through-the-floor drain assembly, PerfectFill controller, drain fittings, remote on/off button, and mounting hardware
- Controller is equipped with rubber feet for locating on a countertop or shelf; can also be wall-mounted
- Requires bath spout (sold separately)
- Requires slotted overflow drain trim kit and two-port digital thermostatic valve or three-port digital thermostatic valve for use with handshower (sold separately)
- Add DTV+™ to control PerfectFill through the DTV+ interface (sold separately)
- KOHLER Konnect® app pairs with Amazon Alexa and Google Home for hands-free PerfectFill functionality
