

Cleana® Rebound™ | K-39058

Commercial elongated toilet seat

Features

- Hinge technology automatically raises toilet seat shortly after use to promote better hygiene and minimize mess, thereby requiring less frequent cleansing
- Fully mechanical. No batteries or power required
- Integrated lift tab on seat edge offers a more hygienic solution for raising and lowering
- Ergonomic contour adds additional comfort
- Wider toilet seat base provides increased support on toilet bowl, preventing seat from loosening over time
- Elongated, open-front toilet seat
- Grip-Tight bumpers hold seat firmly in place
- Check hinge prevents seat from leaning back against tank or flushometer

Available Colors/Finishes
