HydroRail®-S | K-45905

Bath/shower column

Features

- Column lets you customize your shower with a showerhead and handshower
- Designed for new installations or retrofit to replace an existing installed shower arm
- Diverter at base of column makes for easy toggling between handshower and showerhead
- Slidebar bracket allows you to adjust the height and angle of the handshower
- Showerhead, handshower, and shower hose are sold separately to allow for customized decor and functionality
