

Torsion® | K-706093-L

57-1/2"-59-1/16" W x 77" H sliding shower door with 5/16"-thick Crystal Clear glass

Features

- Includes a 36" (914 mm) wide glass return panel to create a corner enclosure
- Right-hand door slides open, fixed panel on right
- 11" geometric handle on both sides of the glass has a solid, heavy feel
- Ultra-low threshold (9/16") for easy entry and exit
- Seals provide excellent water containment
- Door catch closes door securely
- CleanCoat®+ glass coating creates a hydrophobic barrier that repels water, soap scum, and residue, saving time and protecting shower doors 10 times longer than original CleanCoat. (Based on 2021 internal wear/abrasion testing using a microfiber cloth.)
- No exposed screws for sleek, contemporary look
