

Features

- Response® technology provides reliable touchless on/off operation through a state-of-the-art sensor that responds in milliseconds.
- Precision activation window helps prevent false activations.
- DockNetik®, a magnetic docking system located within the spout, smoothly glides and securely locks the sprayhead into place.
- Powered by six AA batteries.
- Single-lever handle is simple to use and makes adjusting water temperature easy.
- High-arch spout offers superior clearance for filling pots and cleaning.
- Ceramic disc valves exceed industry longevity standards, ensuring durable performance for life.
- Two-function pull-down sprayhead with touch-control allows you to switch from stream to Sweep® spray.
- Sweep® spray features specially angled nozzles that form a wide, powerful blade of water to sweep your dishes and sink clean.
- MasterClean® sprayface features an easy-to-clean surface that withstands mineral buildup.
- Includes soap/lotion dispenser.
- ProMotion® technology's light, quiet braided hose and swiveling ball joint make the pull-down sprayhead easier and more comfortable to use.

Material

- KOHLER finishes with ScratchShield™ technology withstand even the toughest daily use.
- Constructed with premium materials for durability and reliability.

Installation

- Flexible supply lines and quick-connect fittings make installation easy.
- Longer mounting shank works with countertops up to 2-1/2 inches thick and is easy to install. Simply hand tighten the mounting ring and secure with a screwdriver.
