

Arise® | K-R77764-SD

Pull-down kitchen sink faucet with two-function sprayhead

Features

- Single lever handle is simple to use and makes adjusting water temperature easy
- High-arch and unique exposed-hose design provide exceptional control and flexibility
- Articulating docking arm raises 45°, providing additional clearance for filling pots or washing large objects and swivels 360° allowing for unobstructed use of the sink
- KOHLER® ceramic disc valves exceed industry longevity standards for a lifetime of durable performance
- A magnetic docking system keeps the sprayhead securely in place
- Sprayhead detaches from articulating arm for added reach and functionality
- Two-function sprayhead with touch-control allows you to switch from aerated stream to Sweep® spray
- Sweep® spray features specially angled nozzles that form a wide, powerful blade of water to sweep your dishes and sink clean
- MasterClean™ sprayface features an easy-to-clean surface that withstands mineral buildup and maximizes spray performance
- Includes soap / lotion dispenser
- Flexible supply lines for simplified installation.
