

Windet® | K-REC27971-G

3-in-1 combo shower kit with shower rail, 1.75 gpm

Features

- Showerhead can also be used as a rainhead for a customized showering experience
- Magnetic rail allows handshower to easily dock at any height
- Can be used as a showerhead/rainhead or a handshower with a simple push of a button
- Advanced spray engine provides three spray experiences: full coverage, silk, powerful massage, plus pause feature
- Full coverage spray produces an encompassing spray ideal for everyday use
- Silk spray releases a dense, luxurious spray ideal for rinsing
- Powerful massage spray is a focused stream that targets sore muscles, or use as a utility spray to rinse kids, pets, and your shower
- Pause feature temporarily pauses water flow to conserve water while you lather, shave, or shampoo
- Simple thumb tab smoothly transitions between sprays
- Diverter positioned at the base of the column allows user to easily switch flow between handshower and rainhead
- 1.75 gpm (6.6 lpm) rainhead and handshower flow rates
- MasterClean™ sprayface features an easy-to-clean surface that withstands mineral buildup and maximizes spray performance
- Box Includes: Showerhead, handshower, shower rail, 60" (1524 mm) hose, mounting hardware
- This product can help a building earn Water Efficiency points in LEED® Green Building Rating System
