IAPMO Certification

### KOHLER® Faucet Lifetime Limited Warranty

See website for detailed warranty information.

## Technical Information

All product dimensions are nominal.

## Notes

Install the product according to the installation guide.

**NOTICE:** Risk of product damage. Long screws for installing trim can damage the K-2971-KS valve. Consult the trim installation guide to verify if the thin wall installation kit (88526) is needed.

Install straight pipe or tube drop of 7" (178 mm) to 18" (457 mm) with single elbow between the valve and the wall-mount spout. Elbow must be a 90 degree drop ell that is secured to rigid framing.
