Installation

- Trim only; requires valve to complete installation (sold separately)

Installation Notes

Install this product according to the installation instructions.

NOTICE: Risk of product damage. Long screws for installing trim can damage the K-2971-KS valve. Consult the trim installation guide to verify if the thin wall installation kit is needed.
Install straight pipe or tube drop of 7" (178 mm) to 18" (457 mm) with single elbow between the valve and the wall-mount spout.
