Augusto in White Antico

## EXCLUSIVELY AT ANN SACKS

The exclusive STRIKE fireplaces for Ann Sacks are a curated selection rich in presence and character. The collection, which ranges from traditional to contemporary in scope, features six fireplaces – Augusto, Alessio, Stella, Gemma, Bella, and Enzo – and are offered in a sophisticated selection of figured marbles and earthy limestones.

## USAGE

- Suitable for indoor installations

## INSTALLATION AND MAINTENANCE

- Coordination with architect, contractor, mason or local building officials to determine proper construction installation methods
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended when using products formulated for natural stone.
- The use of acidic or highly alkaline detergents can damage the surface of the marble

## IMPORTANT CONSIDERATIONS

- Always inspect product before installation – use constitutes acceptance.
- Seams are inherent for installation
- Inherent variations in the stone's color, texture, and veining, as well as variance resulting from the hand finishing process, are to be expected and celebrated. Each item is unique and no two are exactly alike.
