## MADE IN ISRAEL

Handcrafted in Israel, our Bar-On Studio concrete collection features a softly honed surface and organic texture that is created during the pouring and curing process. Offered in a multitude of formats and natural colorways that create a distinctive wall installation when combined. The dimensional formats may be installed with back illumination to create a dramatic impression for interior spaces.

## RECOMMENDED USE

- Suitable for all indoor dry wall applications
- Not suitable for shower walls
- Not suitable for flooring applications
- Not recommended for outdoor use in freeze/thaw climates
- Suitable for high-temperature installations such as fireplace surrounds

## INSTALLATION AND MAINTENANCE

- Install per manufacturer's installation instructions
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- Sealing tiles is recommended if used in an area exposed to moisture, such as a bathroom or kitchen backsplash
- Recommended to use a metal saw to cut the brass
- Moist towel is recommended to care for and clean the brass
- Specification of LED Strip lights used in installation behind Spade, Willow, or Pas Deco tiles to be determined by licensed electrician
- Recommended number of LED strips per tile
- Pas Deco: one strip of 70cm, centered, 4cm from the top of the tile (LED volume 10-15 watt)
- Spade: One 5cm strip
- Willow: Two 20cm strips
