

Breccia Calda

MADE IN ITALY

Hailing from Italy, Breccia Calda is a natural marble composition, its patterning reminiscent of fine terrazzo. The warm beige stone serves as a neutral backdrop for the brecciated scattering of grey and brown chips, creating a visually engaging surface. An exclusive hydro-flamed and brushed finish lends further dimension, the proprietary technique lightening the marble before being brushed to produce a soft hand.

RECOMMENDED USE

- Suitable for all indoor wall and medium duty flooring applications
- Suitable for installation on shower walls
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
