MADE IN ITALY

ANN SACKS partnered with Netherlands-based Alissa + Nienke design studio to create Firma, a collection that reflects strength of line, unique surface details, and a palette of pure, neutral color choices. Inspired by ancient markings and techniques, Firma reflects the designers' curiosity and understanding of handcraft and their exploration of new technologies, resulting in an imaginative and visually compelling collection of glazed porcelain designs elegantly inscribed with primitive etchings in decorative relief.

RECOMMENDED USE

- Suitable for indoor and outdoor wall applications only
- Suitable for installation on shower walls
- Suitable for high temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation – material not affected by freeze/thaw conditions
- Not suitable for submerged areas such as pools or fountains
- Please see Ann Sacks slip-resistance and wet-flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for porcelain tile
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- Select testing data available upon request
