MADE IN UNITED STATES

Inspired by the lines and patterns of a garden trellis, MADE Treillage is an exclusive ceramic collection by Kelly Wearstler, an acclaimed Los Angeles based designer. The five formats are designed to align and work together, allowing for bold, creative compositions across any wall surface. Available in more than 60 Earthenware colors, the interactive glazes pool and break over the dimensional pattern, bringing depth and richness to every tile.

RECOMMENDED USE

- Suitable for all indoor wall applications
- Not suitable for flooring applications
- Suitable for outdoor vertical use dependent upon climate and method of installation
- Suitable for high temperature areas such as behind ranges and fireplace surrounds
- Opaque and translucent colors are suitable for shower walls. Metallic glazes are suitable for indoor wall applications; not suitable for wet areas.
- Metallic glazes will fingerprint and may patina over time or if exposed to acids
- Metallic glazes are susceptible to staining; please use caution when installing in areas that come into contact with grease

INSTALLATION AND MAINTENANCE

- Install per industry standards for ceramic tile
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- Clean with mild, non-abrasive cleanser

Please note: variations in color, shade, surface texture and size are natural characteristics of all our products and should be expected. Images shown are representative, but may not indicate all variations in these characteristics.
