

# Orin

Orin is an inspired, honed mosaic collection that is reminiscent of Italian poured terrazzo. Marbles sourced from around the world were selected to create the singular stone and multi-stone blends. Exclusive to Ann Sacks, the solo stone combinations feature creamy Bianca or ruby-shaded Rosso Levanto. The contrasting, multiple stone designs include a greige blend and the verde blend. Customize the lay-up to include any of the 50 marbles currently offered in the Ann Sacks assortment.

### RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Suitable for installation on shower walls and floors
- Suitable for high temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

### INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone mosaics
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Sheeted repeat sections will fit together in an interlocking pattern
- Can be installed using standard thinset application – white thinset recommended for light or translucent stones
- Mosaics are mesh-mounted
