

Belcaro

Belcaro captures the interplay of light and shadow within this dimensional tile collection. The soft curve of the fluted field coupled with the stone's distinct veining gives a sense of movement. The pleated detail adds a sense of drama with the sharpness of the edges contrasted with the natural stone. Both designs create a strong statement to any interior space.

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended when using products formulated for natural stone
