

Koros

Inspired by the exquisite patterns of traditional African mud cloth, our new exclusive Koros Collection is comprised of six micro-mosaic stone designs skillfully arranged in an artful blend of contrasting colorways. Koros offers a modern translation of this traditional craft, creating a bold statement in any space.

INSTALLATION AND MAINTENANCE

- Install per industry standards for stone mosaics
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- Mosaics are pre-sealed with a water-based sealer
- Sheeted repeat sections will fit together in an interlocking pattern
- Can be installed using standard Thinset application. White Thinset is recommended for light or translucent stones
