

Verde Tia

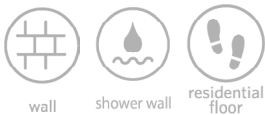

Verde Tia is a dimensional, honed marble in shades of jade to forest green, the shifting, varied field interrupted by creamy white veining and grey to black mottling. Unlike most similar colored marbles that run toward blue, Verde Tia features golden undertones giving the stone warmth and elegance, making it a rare find.

Arches Mosaic

RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Suitable for installation on shower walls
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit. Use constitutes acceptance
- Always dry lay out material prior to installation to properly blend and balance color
- Pattern and density of veining can vary from vary from piece to piece.
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
