

Terrazzo Form

MADE IN ITALY

Terrazzo Form is a reinterpretation of the classic terrazzo tile. The contrast of the chips and flakes of stone with the textured surface brings a modern sense of prestige to any space. The Velvet finish has a natural undulation echoing the stone forms within the design giving an organic sensation underfoot. The contrast between the delineated pleats of the Waterfall design or the microplanes of the Arela gives a subtle dimension and tactile quality to the design while the three-dimensional fields, Flute and Peak, are scaled for dramatic presence.

RECOMMENDED USE

- Velvet finish is suitable for all indoor wall and flooring applications
- Arela and Waterfall finish not suitable for flooring
- Suitable for installation on shower walls
- Suitable for high temperature installations such as fireplace surrounds
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
- Flute and Peak are only available in Smoke, Vicenza, and White

INSTALLATION AND MAINTENANCE

- Install per industry standards for cement-based terrazzo
- An epoxy thinset adhesive is required when installing this stone
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone. Please reference the manufacturer's maintenance recommendations for approved cleaning products
- The use of acidic or highly alkaline detergents can damage the surface of the marble – please reference the manufacturer's maintenance recommendations for chemicals to avoid
