Price	Fields Starting at \$20.96/SF Mosaics Starting at \$35.94/SF (Pricing subject to change)
Lead Time	In-Stock. Ready to ship within 3 business days. (Lead Times are subject to change)

MADE IN ITALY

Terrazzo Renata is a modern reinterpretation of a tradition that has graced Italian palazzos, casas, and village walkways since the 15th century. Each tile is composed of various sized flakes, grains, and chips of marble from the Carrara mountains, skillfully blended with resin and finished with a slightly brushed surface. The stone combinations are selected for their fine variation in size, composition, and coloration, resulting in a surface where no two tiles are exactly alike.

RECOMMENDED USE

- Suitable for all indoor wall and flooring applications (except Fluted which is suitable for wall only)
- Suitable for installation on shower walls
- Outdoor use subject to climate and method of installation
- Suitable for outdoors in non-freeze thaw climates
- It is not recommended to blend the field tile with slabs as they are cut from separate blocks, which can cause different coloration between lots
- Please see Ann Sacks slip-resistance and wet-flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per manufacturer's installation instructions
- Always inspect material prior to installation – installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone. Please reference the manufacturer's maintenance recommendations for approved cleaning products
- The use of acidic or highly alkaline detergents can damage the surface of the marble – please reference the manufacturer's maintenance recommendations for chemicals to avoid

Recycled Content

Black and White colors contain 28% pre-consumer recycled content and are LEED v4 certified
